

# Park Facility Plan <sup>[1]</sup>

## Park Plan Overview

The City of Kelso retained the firm Harper Houf Peterson Righellis Inc. to prepare the Kelso Park Facility Plan, adopted February 2018. The purpose of this plan is to provide the City with updated park assessments and recommendations for facility improvements. This plan will supplement the City of Kelso Park and Recreation Comprehensive Plan adopted on February 18, 2014. In addition to broader park facility assessments and recommendations, this plan pays special attention to Catlin Rotary Spray Park and includes a preferred master plan with probable estimate of cost.
